

## TEA IMPORTER SENT TO A CELL BY SUPT. MORGAN

Matthew Conlan Arrested  
in Hackensack on an  
Election Charge.

HELD FOR EXTRADITION.

Indictment Charges Him With  
Illegal Acts as an Elec-  
tion Inspector.

Matthew Conlan, a member of the firm of McCahill & Conlan, tea and coffee importers, with offices at No. 400 West Twenty-third street, was to-day arraigned before Judge Heath, in Hackensack, N. J., charged with violating the election laws in this city, and was held to the Hackensack jail for thirty days to await extradition papers. Conlan was arrested early to-day while alighting at the Hackensack depot of the Susquehanna Railroad.

Although he has been regarded as a resident of Hackensack, he claims legal residence at No. 781 Eighth avenue, New York, a Tammany clubhouse of the Fifteenth district. He was arrested on complaint of a Michigan deputy, after being indicted by the Special Grand Jury. Conlan was charged with failing to perform his duties as chairman of the Board of Election Inspectors in the seventh election district, Fifteenth Assembly, in refusing to challenge voters when requested to do so by Hearst watchers.

Mr. Conlan had just alighted from a train in Hackensack when Officer Smith placed a hand on the shoulder of the tea merchant and declared: "Mr. Conlan, I have a warrant for your arrest."

Mr. Conlan looked up in surprise and exclaimed: "There must be some mistake! What can have occurred to warrant my arrest?"

Smith told Mr. Conlan that the warrant had been placed with the authorities of Hackensack several days ago and had been sworn out to by Isaac Silverman, a Morgan deputy.

Officer Smith took Mr. Conlan to Headquarters, where he was informed that there was no alternative but to lock him up. His pedigree was taken and he was placed in a cell.

Mr. Conlan has been making his home at the residence of his sister, on Hackensack Heights. He made daily trips to New York and Hackensack, and was regarded as a regular resident of Hackensack. He became known to the train conductors and to Officer Smith, who is detailed at the Hackensack station, by the frequency of his visits.

In addition to claiming violation of the election laws, the warrant sets forth that Mr. Conlan is a fugitive from the State of New York. Mr. Conlan lived in this city a number of years before he moved to Hackensack.

### RESCUED TWO IN TIME.

Man and Woman Near Death from Escaping Gas.

The falling of a rubber tube from a gasfitter's placed the lives of Alphonse Fulgione and Caroline Novelli, Italians, in jeopardy early to-day. They occupied a separated room on the top floor of No. 48 James street, divided by a mere partition filled with crevices. When the tube dropped from the fixture the gas flowed into both compartments, overpowering the man and woman.

Neighbors detecting the odor of gas made an investigation and found the inmates of the divided room unconscious. They were removed to the Hudson Street Hospital and quickly revived.
